**Learning Oriented Assessment** - Neil Jones 2016-05-19

This volume outlines the general principles of Learning Oriented Assessment (LOA), placing it in the context of European language learning policy. The authors pose three key questions central to LOA: 'What is learning?', 'What is to be learned?' and 'What is to be assessed?'. It focuses on the use of evidence, and how it can be collected and used to feed back into learning, overviews large-scale assessment as practised by Cambridge English and learning-oriented classroom assessment practices, and concludes with a look at implementing LOA in practice. With fresh insights into the role of assessment in supporting learning, this volume will be of considerable interest to assessment practitioners, teachers and academics, educational policy-makers and examination board personnel.

**How Children Learn** - John Holt 2009-04-20

From the preface by Deborah Meier: "We have a long way to go to make John Holt's dream available to all children. But his books make it possible and easier for many of us to join him in the journey." In this enduring classic, rich with deep, original insight into the nature of early learning, John Holt was the first to make clear that, for small children, "learning is as natural as breathing." In his delightful book he observes how children actually learn to talk, to read, to count, and to reason, and how, as adults, we can best encourage these natural abilities in our children.
