

Cahaba Prison And The Sultana Disaster Pdf

As recognized, adventure as skillfully as experience just about lesson, amusement, as skillfully as treaty can be gotten by just checking out a book **Cahaba Prison And The Sultana Disaster Pdf** as a consequence it is not directly done, you could believe even more roughly this life, as regards the world.

We have the funds for you this proper as competently as easy mannerism to get those all. We find the money for Cahaba Prison And The Sultana Disaster Pdf and numerous books collections from fictions to scientific research in any way. accompanied by them is this Cahaba Prison And The Sultana Disaster Pdf that can be your partner.

The Complete Rhyming Dictionary and Poet's Craft Book - Clement Wood 1936

The opening battles - Francis Trevelyan Miller 1911

Loss of the Sultana and Reminiscences of Survivors - Chester D. Berry 1892

A List of the Union Soldiers Buried at Andersonville - Clara Barton 2017-08-31

A List of the Union Soldiers Buried at Andersonville - Vol. 3 is an unchanged, high-quality reprint of the original edition of 1868. Hansebooks is editor of the literature on different topic areas such as research and science, travel and expeditions, cooking and nutrition, medicine, and other genres. As a publisher we focus on the preservation of historical literature. Many works of historical writers and scientists are available today as antiques only. Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future.

Sultana - D. H. Rule 2013-09-05

From the groundbreaking North & South magazine article, featured on The History Channel in "Civil War Terror," and in PBS "History Detectives." GET THE WHOLE STORY of Confederate boatburner and spy, Robert Loudon, called the "murderer of the age." Learn about his connection to the captain of the steamer Sultana, and about the band of saboteurs responsible for destroying 60 or more steamboats on the Mississippi River during the Civil War. Convicted of destroying a steamer carrying millions of payroll meant for Grant's forces, sentenced to death, and coming within minutes of hanging, find out how Lincoln's stay of execution of Robert Loudon may have led to a worse maritime disaster than the sinking of Titanic. Among the steamboats destroyed on the Mississippi River, the one with the largest single loss of life was the steamer Sultana. The boat had been loaded with over 2000 people, most of them Union POWs returning from Southern prison camps. When the Sultana exploded and burned, as many as 1800 people were killed as many Union soldiers died on the river that night as died on the battlefield of Shiloh. With them died a number of women, children, and civilian men. Was it an accident? Or sabotage? Excerpt from Sultana: A Case For Sabotage

Seven miles out of Memphis, at 2:00 a.m. on April 27, 1865, the steamer Sultana chugged northward loaded with over twenty-three hundred people, most of them Union soldiers returning home from southern prison camps. Without warning, an explosion ripped through the boilers, scalding steam burst out, and a shower of flaming coal shot upward into the night, raining down on the crowded boat, which in moments was engulfed in flames. Over seventeen hundred people died, making the destruction of Sultana a maritime disaster worse than the sinking of the Titanic. This publication also includes the full-length version of the originally published North & South article, with all footnotes and sources.

Destruction of the Steamboat Sultana - Gene Eric Salecker 2022-03-15

The Sultana was a sidewheel Mississippi steamboat carrying almost two thousand recently-released Union prisoners-of-war back north at the end of the Civil War. At 2:00 a.m. on April 27, 1865, when the boat was seven miles above Memphis, her boilers exploded. Almost 1,200 people perished in the worst maritime disaster in United States history. Gene Eric Salecker covers this disaster in detail and dispels the many myths that have been connected to the Sultana for too long. Almost every author who has written about the Sultana has relied on the words of a few survivors or referred to the works of previous authors to get their story. Advancing the scholarship, the author has visited the National Archives in Washington, DC to comb through the handwritten transcripts of the three investigative bodies that looked into the disaster or poured over the handwritten testimony from the court-martial trial of Capt. Frederic Speed, the only person tried for the overcrowding of the vessel. In 1996, after extensive research and using the most current sources available at that time, Salecker wrote Disaster on the Mississippi: The Sultana Explosion April 27, 1865. Still, there were inevitable omissions. After almost twenty-five years of continued research on the Sultana, and all those involved in the disaster, Salecker has gleaned unparalleled knowledge into every aspect of the disaster. His research, covering the National Archives, and thousands of pages of newspapers from around the world and government documents, including pension records and service records, has allowed Gene to tell the story of the Sultana as completely as possible. By bringing his research back to primary sources, Salecker dispels myths and adds to the story of the Sultana. In Destruction of the Steamboat Sultana: The Worst Maritime Disaster in American History paroled prisoners, civilian passengers, guards, crewmembers, rescuers, and eyewitnesses tell their stories in their own words. The true, and complete, story about the Sultana and the disaster has finally, and fully, been told.

The Sultana Saga - Rex T. Jackson 2003-01-01

On a cold night in late April 1865, on the mighty Mississippi River just north of Memphis, Tennessee, scores of unsuspecting souls suddenly found themselves desperately struggling for their lives after the boilers exploded on the riverboat steamer Sultana. Although more lives were lost in this incident than would be lost on the Titanic in 1912, these homeward bound veterans of war have been nearly forgotten by the country they served so bravely. The author rectifies this oversight with his book-length treatment of the tragedy. Most of the men served in cavalry or infantry units from Indiana, Kentucky, Michigan, and Ohio, or cavalry units from Tennessee and Virginia. J2358HB - \$18.00

We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Serving Uncle Sam (Abridged, Annotated) - Erastus Winters 2017-03-17

Erastus Winters not only survived disease, battle, and the Confederate prison camp at Cahaba, on the way home he survived what is still the worst maritime disaster in U.S. history--the sinking of the steamboat Sultana. His sometimes humorous, sometimes thrilling, and sometimes poignant true tale of a young man at war is one of the best by a private soldier in the Union army. He fought in Sherman's Atlanta Campaign and describes his feelings when under fire for the first time. He became a seasoned combat soldier but was not afraid to admit when he felt terrified. During the battle of Franklin, he was captured and sent to Cahaba, where he endured months of mud, filth, starvation, and vermin. As if that was not enough, when finally released and on his way home, he was nearly killed in the explosion on the Sultana, which claimed over 1,700 lives. Every memoir of the American Civil War provides us with another view of the catastrophe that changed the country forever. Be sure to LOOK INSIDE by clicking the cover above or download a sample.

Portals to Hell - Lonnie R. Speer 2005-01-01

The holding of prisoners of war has always been both a political and a military enterprise, yet the military prisons of the Civil War, which held more than four hundred thousand soldiers and caused the deaths of fifty-six thousand men, have been nearly forgotten. Now Lonnie R. Speer has brought to life the least-known men in the great struggle between the Union and the Confederacy, using their own words and observations as they endured a true ?hell on earth.?

Drawing on scores of previously unpublished firsthand accounts, Portals to Hell presents the prisoners' experiences in great detail and from an impartial perspective. The first comprehensive study of all major prisons of both the North and the South, this chronicle analyzes the many complexities of the relationships among prisoners, guards, commandants, and government leaders.

The Notorious Isaac Earl and His Scouts - Gordon L. Olson 2014-05-14

While large armies engaged in epic battles in the eastern theater of the Civil War, a largely unchronicled story was unfolding along the Mississippi River. Thirty "Special Scouts" under the command of Lieutenant Isaac Newton Earl patrolled the river, gathering information about Confederate troop activity, arresting Rebel smugglers and guerillas, and opposing anti-Union insurrection.

Gordon Olson gives this special unit full book-length treatment for the first time in *The Notorious Isaac Earl and His Scouts*. Olson uses new research in assembling his detailed yet very readable account of Earl, a dynamic leader who rose quickly through Union Army ranks to command this elite group. He himself was captured by the Confederates three times and escaped three times, and he developed a strategic -- and later romantic -- relationship with a Southern woman, Jane O'Neal, who became one of his spies. In keeping the river open for Union Army movement of men and supplies to New Orleans, Earl's Scouts played an important, heretofore unheralded, role in the Union's war effort.

Crossing the Deadline - Michael Shoulders 2016-02-25

When Stephen's father passes away in 1861, he and his mother and brother are left at the mercy of a cruel uncle. As the Civil War intensifies to the south, Stephen's brother enlists to fight for the Union and help support the family. The war drags on and Stephen, an accomplished bugler in the town band, is witness to the sad consequences of slavery. The opportunity to enlist as Colonel Eli Lilly's personal bugler arises and Stephen jumps at the chance. After surviving the Battle of Sulphur Trestle in Alabama, Stephen is sent to a Confederate prison camp to await the end of the war. The trials of prison camp are severe but at war's end Stephen is set to be sent home to Indiana aboard the steamboat *Sultana*. However, disaster strikes and the ship catches fire and capsizes in America's largest maritime disaster. Through luck and fortitude Stephen survives, but his Civil War journey is one that will engage readers of all ages. Based on historical facts and characters, Stephen's story truly captures the essence of the era.

Sultana - Alan Huffman 2009-03-24

"One of the most riveting war stories I have ever read...Huffman's smooth, intimate prose ushers you through this nightmare as if you were living it yourself." --Sebastian Junger, author of *The Perfect Storm* The dramatic true story of the worst maritime disaster in U.S. history, Alan Huffman's *Sultana* brings to breathtaking life a tragic, long forgotten event in America's Civil War--the sinking of the steamship *Sultana* and the loss of 1,700 lives, mostly Union soldiers returning home from Confederate prison camps. A gripping account that reads like a nonfiction *Cold Mountain*, *Sultana* is powerful, moving, rich in irony and fascinating historical detail--a story no history aficionado or Civil War buff will want to miss.

Cahaba Prison and the Sultana Disaster - William O. Bryant 1990

"A delight for any student of the Civil War". -- *The Courier*

Sultana - Howard Means 2021-05

[Mississippi in Africa](#) - Alan Huffman 2010-07-08

When wealthy Mississippi cotton planter Isaac Ross died in 1836, his will decreed that his plantation, Prospect Hill, should be liquidated and the proceeds from the sale be used to pay for his slaves' passage to the newly established colony of Liberia in western Africa. Ross's heirs contested the will for more than a decade, prompting a deadly revolt in which a group of slaves burned Ross's mansion to the ground. But the will was ultimately upheld. The slaves then emigrated to their new home, where they battled the local tribes and built vast plantations with Greek Revival--style mansions in a region

the Americo-Africans renamed "Mississippi in Africa." In the late twentieth century, the seeds of resentment sown over a century of cultural conflict between the colonists and tribal people exploded, begetting a civil war that rages in Liberia to this day. Tracking down Prospect Hill's living descendants, deciphering a history ruled by rumor, and delivering the complete chronicle in riveting prose, journalist Alan Huffman has rescued a lost chapter of American history whose aftermath is far from over.

Death in the Baltic - Cathryn J. Prince 2013-04-09

Draws on survivor interviews and newly declassified records to offer insight into the sinking of the World War II refugee ship that killed over nine thousand people, an incident that was covered up by both Eastern and Western officials.

Webster's New World Rhyming Dictionary - Clement Wood 1999

"Webster's New World Rhyming Dictionary is the most accurate and contemporary rhyming dictionary today. Thousands of words are categorized and cross-referenced into 1,500 phonetically correct rhyming groups. These groups make finding the exact rhyme you want fast and easy." "Clement Wood's concise and witty guidelines for the effective use of rhyme are now thoroughly updated to include both poetry and song. New examples span classical and modern verse, from sonnets to rap. Webster's New World Rhyming Dictionary is the ideal companion for students, songwriters, jingle writers, poets, and performance artists."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. The Civil War Memoirs of Erastus Winters, Corporal, Company K , 50, O V I - Erastus Winters 2011-03-01

The complete, first person account of Corporal Erastus Winters, Company "K," 50, O.V.I., 1861-1865. Unedited and in his own words. Perryville: .."minnie balls would strike the ground with a dull thud near us, or go singing over our heads like bees on the wing. We were ordered to unslung knapsacks, and place them in a pile, and get ready for business." Franklin: "One wounded Rebel fell on my feet and another on my left shoulder, their life's blood soaking and staining my clothing to the skin." Captured: "I shall never forget the humming, dismal sound of those messengers of death, as they passed over me and went whizzing over that field of blood, as I lay there a prisoner that night between the two lines of battle." Prison: "A something within me seemed to say: 'Do not give up; do not despair; bear your burdens bravely; keep in good heart and spirits; you shall yet be welcomed back into the family circle.' Many of the poor boys did not have this hope within them and gave way to grief and homesickness, and the trials and hardships that came to them soon took them over the Dark River of Death." Sultana: "No artist, I care not how clever he may be with his brush, can paint a picture as full of horrors as the picture that was painted on my memory, that April morning, 1865."

Rebel Yell - S. C. Gwynne 2014-09-30

Finalist for the National Book Critics Circle Award, the epic New York Times bestselling account of how Civil War general Thomas "Stonewall" Jackson became a great and tragic national hero. Stonewall Jackson has long been a figure of legend and romance. As much as any person in the Confederate pantheon—even Robert E. Lee—he embodies the romantic Southern notion of the virtuous lost

cause. Jackson is also considered, without argument, one of our country's greatest military figures. In April 1862, however, he was merely another Confederate general in an army fighting what seemed to be a losing cause. But by June he had engineered perhaps the greatest military campaign in American history and was one of the most famous men in the Western world. Jackson's strategic innovations shattered the conventional wisdom of how war was waged; he was so far ahead of his time that his techniques would be studied generations into the future. In his "magnificent Rebel Yell...S.C. Gwynne brings Jackson ferociously to life" (New York Newsday) in a swiftly vivid narrative that is rich with battle lore, biographical detail, and intense conflict among historical figures. Gwynne delves deep into Jackson's private life and traces Jackson's brilliant twenty-four-month career in the Civil War, the period that encompasses his rise from obscurity to fame and legend; his stunning effect on the course of the war itself; and his tragic death, which caused both North and South to grieve the loss of a remarkable American hero.

SULTANA TRAGEDY, THE - Jerry O. Potter 1992-02-29

Lee Surrenders! "President Murdered!" "Booth Killed!" screamed the headlines of American newspapers in April 1865, leaving little room for mention of a maritime disaster that to this day is America's worst. On April 27, 1865, the Sultana, a 260-foot, wooden-hulled steamboat-smaller than the Titanic but carrying more passengers-exploded on the Mississippi River near Memphis, Tennessee. More than 1,800 men, mostly Union soldiers on their way home from Confederate prison camps, died. On board were over 2,400 passengers-six times the ship's legal capacity. Although jubilant about the war's end, most of the men were weakened by malnutrition and disease from their imprisonment at Andersonville and Cahaba. Hundreds who were not killed in the explosion drowned in the cold, swift waters of the muddy river. Because of the timing of the sinking, coverage of the Sultana's demise was scant, and the tragedy has passed almost unnoticed in the pages of American history. In this highly documented book, author Jerry Potter focuses on how greed, indifference, gross stupidity, and criminal misconduct reaching as far as the White House led to the overloading of the Sultana at Vicksburg. Such irresponsible conduct characterized the actions of President Lincoln, an entire chain of army command, and several profit-hungry civilians. This authoritative work contains abundant photographs and illustrations, as well as the most complete list of the ship's passengers available.

Disaster on the Mississippi - Gene E Salecker 2015-04-15

At two o'clock in the morning on 27 April 1865, seven miles north of Memphis on the Mississippi, the sidewheel steamboat Sultana's boilers suddenly exploded. Legally registered to carry 376 people, the boat was packed with 2,100 recently released Union prisoners-of-war. Over 1,700 people died, making it the worst marine disaster in U.S. history. This book looks at the disaster through the eyes of the victims themselves. It offers a concise, minute-by-minute account on the cause of the explosion and its effect on different parts of the boat. To focus on the personal stories of the victims, both civilian and soldier, Gene Eric Salecker patiently collected material from hundreds of letters, period newspaper stories, and other sources. Readers are first introduced to victims while they are languishing in Confederate prisons and follow their release to

an exchange camp outside of Vicksburg to their eventual crowding onto the Sultana. His knowledgeable narrative is interwoven with individual reminiscences, including those of the heroic rescuers. He offers unprecedented details about the captain's handling of the steamboat and corrects some long-held myths about the placement of the soldiers on the Sultana and newspaper coverage of the disaster. A large portion of the book covers rescue attempts, both successful and failed, and the aftermath of the disaster as it affected those involved. With its emphasis on the human-interest aspect of the Sultana, this book brings to the literature a critical point of view and much new information.

History of Lawrence and Monroe Counties, Indiana - 1914

Sultana - Alan Huffman 2009-10-06

"One of the most riveting war stories I have ever read...Huffman's smooth, intimate prose ushers you through this nightmare as if you were living it yourself." –Sebastian Junger, author of *The Perfect Storm* The dramatic true story of the worst maritime disaster in U.S. history, Alan Huffman's *Sultana* brings to breathtaking life a tragic, long forgotten event in America's Civil War—the sinking of the steamship Sultana and the loss of 1,700 lives, mostly Union soldiers returning home from Confederate prison camps. A gripping account that reads like a nonfiction *Cold Mountain*, *Sultana* is powerful, moving, rich in irony and fascinating historical detail—a story no history aficionado or Civil War buff will want to miss.

Rivers of History - Harvey H. Jackson 1995-07-30

"Jackson weaves a seamless tale stretching from the Native-American river settlements ... to the paper mills and hydroelectric plants of the late twentieth century". -- *Southern Historian*

Cahaba Prison and the Sultana Disaster - John L. Walker 1910

Sinking the Sultana - Sally M. Walker 2017-10-10

The worst maritime disaster in American history involved the steamboat "Sultana" on the Mississippi River. In a compelling, exhaustively researched account, renowned author Walker joins the ranks of historians who have been asking the same question for 150 years: who (or what) was responsible for the "Sultana's" disastrous fate?

Sinking the Sultana - Sally M. Walker 2017-11-14

The worst maritime disaster in American history wasn't the Titanic. It was the steamboat Sultana on the Mississippi River – and it was completely preventable. In 1865, the Civil War was winding down and the country was reeling from Lincoln's assassination. Thousands of Union soldiers, released from Confederate prisoner-of-war camps, were to be transported home on the steamboat Sultana. With a profit to be made, the captain rushed repairs to the ship so the soldiers wouldn't find transportation elsewhere. More than 2,000 passengers boarded in Vicksburg, Mississippi . . . on a boat with a capacity of 376. The journey was violently interrupted when the ship's boilers exploded, plunging the Sultana into mayhem; passengers were bombarded with red-hot iron fragments, burned by scalding steam, and flung overboard into the churning Mississippi. Although rescue efforts were launched, the survival rate was dismal – more than

1,500 lives were lost. In a compelling, exhaustively researched account, renowned author Sally M. Walker joins the ranks of historians who have been asking the same question for 150 years: who (or what) was responsible for the Sultana's disastrous fate?

Incidents of the War - Mary Jane Cook Chadick 2005

Transcribed, edited, and annotated Civil War journal written by Mary Jane Chadick during the years of Federal invasion, 1862-1865.

Ninth Cavalry - Daniel Webster Comstock 1890

Splash! - Howard Means 2020-06-02

Choose a stroke and get paddling through the human history of swimming! From man's first recorded dip into what's now the driest spot on earth to the splashing, sparkling pool party in your backyard, humans have been getting wet for 10,000 years. And for most of modern history, swimming has caused a ripple that touches us all--the heroes and the ordinary folk; the real and the mythic. **Splash!** dives into Egypt, winds through ancient Greece and Rome, flows mostly underground through the Dark and Middle Ages (at least in Europe), and then reemerges in the wake of the Renaissance before taking its final lap at today's Olympic games. Along the way, it kicks away the idea that swimming is just about moving through water, about speed or great feats of aquatic endurance, and shows you how much more it can be. Its history offers a multi-tiered tour through religion, fashion, architecture, sanitation and public health, colonialism, segregation and integration, sexism, sexiness, guts, glory, and much, much more. Unique and compelling, **Splash!** sweeps across the whole of humankind's swimming history--and just like jumping into a pool on a hot summer's day, it has fun along the way.

A Low, Dirty Place - R. Rebecca Morris 2012

Tracing Your Alabama Past - Robert Scott Davis 2011-09-06

Searching for your Alabama ancestors? Looking for historical facts? Dates? Events? This book will lead you to the places where you'll find answers. Here are hundreds of direct sources--governmental, archival, agency, online--that will help you access information vital to your investigation. **Tracing Your Alabama Past** sets out to identify the means and the methods for finding information on people, places, subjects, and events in the long and colorful history of this state known as the crossroads of Dixie. It takes researchers directly to the sources that deliver answers and information. This comprehensive reference book leads to the wide array of essential facts and data--public records, census figures, military statistics, geography, studies of African American and Native American communities, local and biographical history, internet sites, archives, and more. For the first time Alabama researchers are offered a how-to book that is not just a bibliography. Such complex sources as Alabama's biographical/genealogical materials, federal land records, Civil War--era resources, and Native American sources are discussed in detail, along with many other topics of interest to researchers seeking information on this diverse Deep South state. Much of the book focuses on national sources that are covered elsewhere only in passing, if at all. Other books only touch on one subject area, but here, for the first time, are

directions to the Who, What, When, Where, and Why.

Almost Home - A. J. Haynes 2020-06-30

The Smoked Yank - Melvin Grigsby 1891

Shenandoah 1862 - Peter Cozzens 2009-11-05

One of the most intriguing and storied episodes of the Civil War, the 1862 Shenandoah Valley Campaign has heretofore been related only from the Confederate point of view. Moving seamlessly between tactical details and analysis of strategic significance, Peter Cozzens presents a balanced, comprehensive account of a campaign that has long been romanticized but little understood. He offers new interpretations of the campaign and the reasons for Stonewall Jackson's success, demonstrates instances in which the mythology that has come to shroud the campaign has masked errors on Jackson's part, and provides the first detailed appraisal of Union leadership in the Valley Campaign, with some surprising conclusions.

Vicksburg, 1863 - Winston Groom 2010-04-20

In this thrilling narrative history of the Civil War's most strategically important campaign, Winston Groom describes the bloody two-year grind that started when Ulysses S. Grant began taking a series of Confederate strongholds in 1861, climaxing with the siege of Vicksburg two years later. For Grant and the Union it was a crucial success that captured the Mississippi River, divided the South in half, and set the stage for eventual victory. Vicksburg, 1863 brings the battles and the protagonists of this struggle to life: we see Grant in all his grim determination, Sherman with his feistiness and talent for war, and Confederate leaders from Jefferson Davis to Joe Johnston to John Pemberton. It is an epic account by a masterful writer and historian.

CAHABA: Captive Boys in Blue (Expanded, Annotated) - Dr. Jesse Hawes 2016-02-02

It is the worst Civil War POW camp you've probably never heard of. A larger percentage of those who left Cahaba died once back in Union lines than of those who left Andersonville. It was five times more crowded than Andersonville. Jesse Hawes was an 18-year-old enlistee in the 9th Illinois Cavalry who was captured and imprisoned at Cahaba. In one of the most articulate, unique, and moving accounts of prison life in the south, the Colorado physician looks back more than thirty years to the desperate days filled with starvation, death, and disease. Not only did he rely on his memory but he researched the Union and Confederate records to bring incredible detail to this comprehensive work. After the war, Hawes became a respected Colorado surgeon. He attended many reunions of the 9th Illinois and never forgot the friendships born of unspeakable hardships. Every memoir of the American Civil War provides us with another view of the catastrophe that changed the country forever. For the first time, this long out-of-print volume is available as an affordable, well-formatted book for e-readers and smartphones. Be sure to LOOK INSIDE by clicking the cover above or download a sample.

Alabama History - Lynda W. Brown 1998

A thorough, balanced compilation, this book is the first comprehensive annotated bibliography on Alabama since 1898. Four authors provide an interdisciplinary approach representing the fields of history, geography,

political science, literature, American studies, and library science. Although political, military, and socioeconomic history are well represented, numerous entries on agriculture, art, education, environment, folklore, law, literature, medicine, newspapers, religion, and travel are also included. The bibliography is arranged chronologically by periods in Alabama history with topical subdivisions under each period. Concise but descriptive annotations supplement the titles to delimit the time, place, and topical focus of the individual entry.
