"Ce n'est pas me diminuer que de penser qu'un jour je serai probablement classé parmi les écrivains mineurs de ce temps. Je suis assez modeste pour le supporter, assez orgueilleux aussi pour penser que si un auteur de l'an 2100 veut étudier les mœurs de notre époque, et notamment le caractère des Français, leurs comportements, leurs tics de langage, il pourra trouver matière dans plusieurs de mes livres" Daninos.

Final Cuts: The Last Films of 50 Great Directors - Nat Segaloff 2013

Critic-producer Nat Segaloff was granted access to private papers, production records, never-before-published interviews, and specialized archives in reconstructing the colorful, touching, and sometimes scandalous stories behind the making of the last films of some of Hollywood's top directors. Winningly readable and yet meticulously researched, its substantial entries range from Robert Aldrich and Robert Altman to Peter Yates and Fred Zinnemann, and John Ford and Howard Hawks to Otto Preminger and Richard Brooks. Certain to attract controversy because of whom it ignores as well as whom it includes, *Final Cuts* presents fifty widely varied chronicles of success and failure, inspiration and ennui, elation and heartache, and every other emotion enjoyed or endured by the greatest filmmakers that Hollywood ever knew. About the Author Nat Segaloff always wanted to write and produce, but it took him several careers before he learned how to get paid for it. He was a journalist for *The Boston Herald* covering the motion picture business, but has also variously been a studio publicist (Fox, UA, Columbia), college teacher (Boston University, Boston College), on-air TV talent (Group W), entertainment critic (CBS radio) and author (nine books including *Hurricane Billy: The Stormy Life and Films of William Friedkin* and, as co-author, *Love Stories: Hollywood's Most Romantic Movies*). He has contributed career monographs on screenwriters Stirling Silliphant, Walon Green, Paul Mazursky and John Milius to the University of California Press's acclaimed *Backstory* series, and his writing has appeared in such varied periodicals as *Film Comment*, *Written By*, *International Documentary*, *Animation Magazine*, *The Christian Science Monitor*, *Time Out (US)*, *MacWorld*, and *American Movie Classics Magazine*. He was also senior reviewer for *AudiobookCafe.com*. His *The Everything® Etiquette Book* and *The Everything Trivia Book* and *The Everything® Tall Tales, Legends and Outrageous Lies Book* are in multiple printings for Adams Media Corp. As a TV writer-producer, Segaloff helped perfect the format and create episodes for A&E's flagship "Biography" series. His distinctive productions include *John Belushi: Funny You Should Ask*; *Shari Lewis &*

Lamb Chop; Larry King: Talk of Fame; Darryl F. Zanuck: Twentieth Century-Filmmaker and Stan Lee: The ComiX-MAN! He has written and co-produced the Rock 'n' Roll Moments music documentaries for The Learning Channel/Malcolm Leo Productions, and has written and/or produced programming for New World, Disney, Turner and USA Networks. He is co-creator/co-producer of Judgment Day with Grosso-Jacobson Communications Corp. for HBO. His extraterrestrial endeavors include the cheeky sequel to the Orson Welles "Invasion From Mars" radio hoax, When Welles Collide, which featured a "Star Trek"® cast. It was produced by L.A. Theatre Works and has become a Halloween tradition on National Public Radio. In 1996 he formed the multi-media production company Alien Voices® with actors Leonard Nimoy and actor John de Lancie and produced five best-selling, fully dramatized audio plays for Simon & Schuster: The Time Machine, Journey to the Center of the Earth, The Lost World, The Invisible Man and The First Men in the Moon, all of which feature "Star Trek"® casts. Additionally, his teleplay for The First Men in the Moon was the first-ever TV/Internet simulcast and was presented live by The Sci-Fi Channel. He has also written narrative concerts for the Los Angeles Philharmonic, celebrity events, is a script consultant, and was a contributing writer to Moving Pictures magazine.

Les carnets et Le secret du Major Thompson - Pierre Daninos 1964

Les Nouveaux Carnets du Major Thompson - Pierre Daninos 1973-01-01

Les derniers carnets du Major Thompson - Pierre Daninos 2000

Lorsque, en 1954, Pierre Daninos fit apparaître dans Le Figaro un mystérieux Major W. Marmaduke Thompson qui, abandonnant la chasse au tigre, décidait d'explorer la jungle française, il ne pensait pas que ces articles allaient devenir un livre, et un livre promis à l'un des plus grands succès de librairie de ce temps. Voilà le Major de retour, toujours aussi vigilant, aussi critique, aussi étonné devant les incompréhensibles Français. La vulgarité ambiante ? Shocking ! Les " décédés " qui remplacent les " morts " ? Stupid ! Le baragouin des médias ? Ridiculous ! Avec l'humour qui caractérise ce sujet de Sa Majesté, Thompson passe au crible les travers de ses étranges voisins. Le résultat est hilarant.

The Notebooks of Major Thompson - Pierre Daninos 1955

The Cinema of Preston Sturges - Alessandro Pirolini 2014-01-10

Most published works on writer-director Preston Sturges (1898–1959) have focused on the elements that made him a symbol of classic Hollywood comedy or his contributions to the genre via such 1940s classics as *The Lady Eve*, *Sullivan's Travels* and *Miracle of Morgan's Creek*. In contrast, this critical study asserts that there are enough unexplained incongruities, fragmentations and contradictions in Sturges' output to demand a re-evaluation of his place in film history as a predecessor (and perhaps progenitor) of later postmodern filmmakers. Four appendices offer a generous selection of previously unavailable material, including an exclusive interview with the director's fourth wife Sandy Sturges.
