And that's exactly what I did. The job...Exquisite Escorts. My role, serve as high priced arm candy to anyone that can afford the \$100,000 price tag for a month of my company. Sex is optional (for me) and a 20% increase on the price. Mia Saunders just barely escaped a paltry life back home in Las Vegas until she gets the call that her Father has been beaten to within an inch of his life for not paying his gambling debt. Problem is, the lone shark is her lousy, ruthless ex-boyfriend. Another guy in a long line of men she'd fallen head over heels for. Not anymore. Mia's mission is simple. Serve as a high-priced escort for her Aunt's company and pay monthly against her Father's bad debt. A month with a rich man who she doesn't have to sleep with if she doesn't want to? Easy money. At least that's the way it was supposed to go.

Soul - Audrey Carlan 2015-03-28

I was a dead woman. I'd finally had a glimpse of true love, admiration, and the kind of devotion only your soulmate, your other half, could provide...until it was physically ripped away. Taken. My stalker had me, and there was little hope I'd be found. I knew Chase would use all his money and resources to search the ends of the Earth for me, but I knew the monster I was dealing with. Years of looking into the eyes of pure evil gave me the unique experience to know that my situation was dire. If Chase didn't find me soon, I'd be gone forever. *** In the third and final novel in the erotic suspense, Trinity Trilogy, SOUL connects with the reader by providing the story through the eyes of Gillian, Chase, and the man that wants to own her soul but can't for she's already given it to another. Everyone is on the hunt to save Gillian from the arms of a killer. This book can be considered dark, erotic, and thrilling. As in *Body* (Trinity Trilogy Book 1) the issue of domestic violence plays heavily in the storyline, and Gillian experiences many disturbing flashbacks of the past alongside tragedy the stalker brings to the present. There is also a lot of love, devotion, and friendship. As with all my books, the characters will ultimately have their happily ever after. Warning: This book is designed for audiences 18+ due to language,

graphic sexual content, and themes that some may find disturbing. SOUL is book 3 of a three-part trilogy. Body (Trinity Trilogy - Book 1) and Mind (Trinity Trilogy - Book 2) must be read prior to reading SOUL.

The newest sizzling romance from Audrey Carlan, the #1 New York Times bestselling author of the Calendar Girl series. When I was born, I was beloved by my parents. I felt their warmth from the tips of my toes to the untamable curls in my hair—until tragedy hit and I lost them both. With no extended family, I ended up in Kerrighan House, a home for girls just like me—girls who'd lost everything. Mama Kerri took me in and treated me with nothing but love, as did the rest of my sisters of the soul. In that house, we formed a bond that could never be broken. Now danger seems to follow all of us. But what danger could come to me: a petite, high-school Spanish teacher who'd never hurt a fly? The only one on my tail is Omar Alvarado, the bodyguard hired to protect me from the danger lurking around my sisters. The more I shun his advances though, the harder he tries to earn my favor. Omar seems to like my brand of sass and doesn't hide the fact he wants me for his own. I'm determined to not get caught up in his beautiful smile, the sexy suggestions he whispers in my ear, or that incredible body that would make any woman swoon with desire. Even with the tension rising between us, all seemed to be kept in check—until I found myself in the middle of a high stakes bank robbery. And the only one who could save me, was the one man I tried so desperately to push away.

Wild Child (a Soul Sister Novel) - Audrey Carlan 2020-11-02

The newest sizzling romance from Audrey Carlan, the #1 New York Times bestselling author of the Calendar Girl series. Twice my life changed in a single day. The first was when I lost my parents. Hand in hand I walked with my big sister up the steps of Kerrighan House, a foster home for girls. We were lucky to be met with open arms and a house filled with children just like us. Children who'd lost everything. From that day forward, we were raised as one big family. Our bonds of sisterhood were strengthened through shared experience, pain, sacrifice, and love. Sisters not by blood, but by choice. Soul sisters. The second day my life changed was on the worst day of my adult life. My boyfriend broke up with me via text. My sleazy boss hit on me, forcing me to quit a job I desperately needed. And the cherry on top, was getting pulled over by an FBI Agent. Little did I know, he'd also save my life that night. From the moment we met, Agent Fontaine wouldn't dare let me out of his sight. And between his alpha ways, kind brown eyes, and heroism, I was lost to the man who hid behind his job. But this agent

had a rule: never fall for a woman you've saved. Yet I wasn't just any woman. I was known among my sisters for taking risks and dreaming big. I was the wild child of the group. We were raised to appreciate every day as the gift it was, and not let anything stand in our way. The more I got to know the brooding, serious FBI man, the more I realized maybe it was my duty to save him.

In my twenty four years of life, I'd not seen anything like him. What happened next blew me away. It was now abundantly clear why he needed me...a fake fiancée.

Limitless Love - Audrey Carlan 2017-11-14

Wild Beauty - Audrey Carlan 2021-04-05

"Audrey Carlan has a way with words that cannot be denied." -Kylie Scott, New York Times bestselling author My life has never been easy. Not from the day I took my first breath until now. Only days old, I was placed in a laundry basket and left in front of a firehouse. I never knew who my parents were before being shuffled around from one bad foster home to another. Until the day I arrived at Kerrighan House. My safe haven. My home. I was welcomed with open arms into a world where love and sisterhood were the rule, not the exception. From that moment on, I believed I was safe. That nothing bad could touch me. I was so wrong. Neither my success as a full-figured lingerie and fashion model nor my street smarts as a born and bred Chicago native, safeguarded me against walking into the clutches

of a monster. As I try to pull my life back together, I'm brought face to face with a man whose wounds mirror my own. Under his protection, I'm gifted the opportunity to find beauty where there has only ever been pain. And yet, danger lurks, as a new evil threatens to bring me to my knees. Can my savior protect me, or has my fate been sealed? Note: Each book in the Soul Sister series can be read as a standalone.

Body - Audrey Carlan 2015-10-20

Men ruin women. Especially men like Chase Davis. Good looking, intelligent, rich and powerful. I never stood a chance. I didn't want to want him. I didn't want to need him. I didn't want to fall for him. He wouldn't take no for an answer, and I let him consume me. Arrogant, confident, controlling, demanding ... intense. When he entered my life, I was finally healing after having barely survived the men of my past. My soul sisters told me to take a chance. To let someone in. I let him in, and he surrounded me with a light so bright I was blinded by the truth... Men don't ruin women. They devour them in every way that counts. Warning: This book is designed for audiences 18+ due to language, graphic sexual content, and themes that some may find disturbing. BODY is book 1 of a three-part trilogy. Book 1 has a "Happy for Now" type ending.

Mind - Audrey Carlan 2015-12-18

I'm a magnet for evil and controlling men. Chase, my big business tycoon and love of my life, thinks he can protect me...he can't. No one can. It became clear far too late how serious my stalker was, that his threats weren't idle. He proved more than once that he would do what it takes, that there were no stakes too high to his sick and twisted games and delusions of worship. We should have been better prepared. The roses, images, lingerie soaked in his seed, even his calling card written in blood didn't penetrate. I had faith that my love could make it go away, that eventually he'd be caught. I was wrong. *** In the second highly anticipated erotic suspense novel in the Trinity Trilogy, MIND digs deep into the heart and psyche of Gillian and her stalker through dueling POVs. While Chase and Gillian plan their wedding, follow them and the entire gang as the stalker acts out his revenge and plots his attack on Gillian, Chase, and their friends. This book can be considered dark, erotic, and thrilling. As in Body (Trinity Trilogy Book 1) the issue of domestic violence plays heavily in the story line, and Gillian experiences many disturbing flashbacks of the past, alongside tragedy the stalker brings to the present. There is also a lot of love, devotion, and friendship. Warning: This book is designed for audiences 18+ due to language, graphic sexual content, and themes that some may find disturbing. MIND is book 2 of a three-part trilogy. Body (Trinity Trilogy - Book 1) must be read prior to reading MIND.
