Excursions in World Music, Sixth Edition - Bruno Nettl 2015-09-25

Explore the relationship between music and society around the world This comprehensive introductory text creates a panoramic experience for beginner students by exposing them to the many musical cultures around the globe. Each chapter opens with a musical encounter in which the author introduces a key musical culture. Through these experiences, students are introduced to key musical styles, musical instruments, and performance practices. Students are taught how to actively listen to key musical examples through detailed listening guides. The role of music in society is emphasized through chapters that focus on key world cultural groups.

Decoded - Jay-Z 2010-12-07

Decoded is a book like no other: a collection of lyrics and their meanings that together tell the story of a culture, an art form, a moment in history, and one of the most provocative and successful artists of our time. Praise for Decoded “Compelling . . . provocative, evocative . . . Part autobiography, part lavishly illustrated commentary on the author’s own work, Decoded gives the reader a harrowing portrait of the rough worlds Jay-Z navigated in his youth, while at the same time deconstructing his lyrics.”—Michiko Kakutani, *The New York Times* “One of a handful of books that just about any hip hop fan should own.”—*The New Yorker* “Elegantly designed, incisively written . . . an impressive leap by a man who has never been known for small steps.”—*Los Angeles Times* “A riveting exploration of Jay-Z’s journey . . . So thoroughly engrossing, it reads like a good piece of cultural journalism.”—*The Boston Globe* “Shawn Carter’s most honest airing of the experiences he drew on to create the mythic figure of Jay-Z . . . The scenes he recounts along the way are fascinating.”—*Entertainment Weekly* “Hip-hop’s renaissance man drops a classic. . . . Heartfelt, passionate and slick.”—*Kirkus Reviews* (starred review)

All Night Long * and more.

Hymns for the Church - Charles Carroll Albertson 1911

Speed Reading Guide - Scorpio Digital Press 2019-09-23

Speed Reading I used to love analyzing, however ever since internet, laptops, tablets, and smartphones have become famous, reading material has increased manifold and time for reading has been reduced a great deal. Once I talked about this problem with my buddies, I came to understand that they have essentially the same problems with reading. I cannot ask you to replace good old, traditional, ordinary studying with speed reading. Not anything can replace reading word by word and absorbing the meaning of every word and every line. Latest research also backs this idea. Pace reading can come at a cost of comprehension if you aren't careful. Speed reading can, but, sincerely help if you are already greatly familiar with the topic that you are reading about. Speed reading can come on your rescue when you have to consult a lot of work for a single project or task, mainly when you are already familiar with the major principles but want to widen your expertise base concerning the subject. I want to stress the fact that there is no replacement for traditional book reading. Speed reading can, however, come in handy when you have to complete a lot of reading in a short amount of time. So keep that in mind while you are reading this book. pick up your copy today by clicking the BUY NOW button at the top of this page!

Singing for Schools and Congregations - John Curwen 1985

The first statement of the Tonic Sol-Fa method taken from Curwen's 1852 edition. The first developed statement of the Tonic Sol-fa method. The edition of 1852 has been chosen for reproduction because it contains a complete summary of the improvements successively introduced during the course of Curwen's empirical teaching.

Book of Alexander - Peter Such 2009

The Libro de Alexandre is an epic poem about the life of Alexander the Great, written by an anonymous Spanish cleric in the thirteenth century. It is the most substantial poem (and almost certainly the first) composed in the learned cuaderna via verse form and provides a unique insight into the intellectual world from which it sprang. The poem conveys the grim message of Alexander's life, the sense of hubris and the horror of his fall from greatness and world domination to the bleak obscurity of the grave. As well as relaying the story of a great ancient figure, the poet also comments on the society and political situation of early thirteenth-century Spain. The combination of eras makes this poem strikingly representative of its time. Peter Such and Richard Rathbone's edition in the Hispanic Classics series illuminates this substantial and important text, with a wide-ranging introduction, Spanish text with facing-page English translation and notes.

Las Vegas-2005 - Zagat Survey (Firm) 2004-11

Christian Symbolism - Katherine Lee Rawlings Jenner ("Mrs. Henry Jenner.") 1910

Kpop Promise - Love Journey 2017-06-07

Remember tonight: "It was supposed to be a one night stand, but fate had another plan. When Lyric hopped on a plane to attend her favorite KPOP band's concert in Las Vegas, the last thing she expected was to have a one-night stand with the hot Korean rapper, Jae. KPOP superstar, Jae-Mi, has worked hard to get where he is. He has given his blood, sweat, and tears to the entertainment industry. Now that he has reached a level of success beyond his wildest dreams - he won't let anything or anyone stand in his way. ...but what about love."--Page [4] of cover of Remember tonight.

Bebuquin - Carl Einstein 2008

"Bebuquin o i dilettanti del miracolo" e il romanzo cubista di Carl Einstein, una delle più stupefacenti manifestazioni delle avanguardie artistiche del Novecento.

Ishi the Last Yahi - Robert F. Heizer 1979

From the Introduction by Theodora Kroeber, Editor: The number of documents having to do with Ishi is finite. For the reader who wishes to know something of the sources from which the story flows, there are reproduced here the principal out-of-print and most inaccessible primary materials on Ishi and the Yahi Indians. Of first importance are monographs on Ishi, his people, his languages, his medical history, whose authors are Professors Thomas T. Waterman, Alfred L. Kroeber, Edward Sapir, and Saxton T. Pope, M.D. Most of these monographs are here reprinted in full. Next in interest and importance are the books of reminiscences concerning the Yahi Indians written by white settlers in or adjacent to Yahi country in the years following closely upon the gold rush. These are usually in small editions, long out of print. Two, those written by Carson and R. A. Anderson, are reprinted in full; the others, only those parts having to do with Ishi and the Yahi. There are letters bearing on our subject, newspaper accounts, and pictures, of which we include significant examples. There are as well books and articles having to do only in part with Ishi and his people. We reprint only those parts. Beyond these essential primary materials, the editors made hard choices to keep the number of pages realistic. Readers with areas of special interest will regret some of our exclusions among the secondary but often fascinating accounts: of archaeological findings in the Yahi homeland of linguistic quirks and grammatical technicalities--a large literature, difficult for the uninitiate; of medical history when it adds nothing to our understanding of the man Ishi. Our order of presentation is chronological, beginning with the background materials, then going to Ishi's first entry into the outside world, then to his years at the museum, and, finally, to his death. We have not included the occasional newspaper stories of still-living Yahi Indians supposed to have been seen or heard in the Yahi hills and caves after Ishi's departure, since none were ever substantiated. When in 1914 Ishi returned to his old home for a few weeks with Waterman, Kroeber, Pope, and Pope's son, Saxton, Jr., he found the land, the caves, and the village sites as he had left them.

Songs in Sol-fa - Theodore Frelinghuysen Seward 1882

Alexander's Hymns - Charles McCallon Alexander 197?

Tonic Sol-fa - John Curwen 2019-08-15

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. We have represented this book in the same form as it was first published. Hence any marks seen are left intentionally to preserve its true nature.

Interactive Notebooks Seasonal, Grade 4 - Carson Dellosa Education 2019-01-12

In *Interactive Notebooks: Seasonal* for fourth grade, students will complete hands-on activities about decomposing fractions, primary and secondary sources, state symbols, measuring angles, and much more. The *Interactive Notebook* series spans kindergarten to grade 5. Each 96-page book contains a guide for teachers who are new to interactive note-taking, lesson plans and reproducibles for creating notebook pages on a variety of topics, and generic reproducibles for creating even more notebook pages. The books focus on grade-specific math, language arts, science, and social studies skills and are aligned to current state standards.

Manufacturing Knowledge - Richard Gillespie 1993-05-28

What motivates workers to work harder? What can management do to create a contented and productive workforce? Discussion of these questions would be incomplete without reference to the Hawthorne experiments, one of the most famous pieces of research ever conducted in the social and behavioral sciences. Drawing on the original records of the experiments and the personal papers of the researchers, Richard Gillespie has reconstructed the intellectual and political dynamics of the experiments as they evolved from the tentative experimentation to seemingly authoritative publications. *Manufacturing Knowledge* raises fundamental questions about the nature of scientific knowledge, and about the assumptions and evidence that underlay debates on worker productivity.

Christ in Song - Philip Schaff 1895
