Carmen - Margarita del Mazo 2022-10-04

The Mérimée classic that Bizet brought to the opera is presented here in a new version, inspired by the choreography by Johan Inger for the Spanish National Dance Company. Discover the story of Carmen through the pure and crystal-clear eyes of a child. I am nine years old. I love playing with my ball and my friend who is a corporal in the Alcalá Dragoon Regiment. My neighbor Carmen is the most beautiful woman I know. Everyone loves her, but she prefers to fly. My neighbor Carmen works in the cigar factory outside my hometown. She is such a dazzling woman. When the siren sounds signal the end of the working day, the square gathers a huge crowd of admirers from all over. However, Carmen is a free spirit, and she always repeats the same motto: Love is a rebellious bird that none can tame, and it is quite in vain that one calls it. If it suits it to refuse, nothing to be done, threat or plea. An endearing story that will bring the little ones closer to the world of opera and dance and will invite readers to reflect on the true nature of love.

The Subversive Voice of Carmen Lyra - Carmen Lyra 2000

"Carmen Lyra's marvelous trickster tales wake the reader to a sharper understanding of 20th-century history. Lyra's stories and sketches--characterized by a sharp wit, wonderfully audacious candor and wry humor--help us reimagine the map of the Western Hemisphere."--Valerie Miner, University of Minnesota "Carmen Lyra is one of many Central American women writers who were significant players in literary, intellectual, and political circles during their lifetimes but who have been studied and remembered less than they deserve. Recent scholarship is beginning to change this, and Horan's work is a welcome contribution to this effort. Her witty renderings into colloquial English of Lyra's folk and fairy tales are an invitation to read them aloud."--Janet Gold, University of New Hampshire These Central American trickster tales and satirical and realistic stories by Carmen Lyra (the pseudonym of María Isabela Carvajal, 1888-1949) are the first translation into English of the writings of a leading revolutionary who was also an early 20th-century folklorist and children's writer. This volume presents her popular folktales, including her most famous work, *Tales of My Aunt Panchita*, alongside her influential social criticism. The familiar Central American folk character "Uncle Rabbit," derived from both African and Native American folklore, is featured in the tales, while her children's play, *Christmas Fantasy*, portrays another wily rabbit trying to pass as the Child Jesus. Lyra's realism is represented by her satire of high society in "Tales of the Cothnejo-Fishy District," and her "Silhouettes from the Maternal School" describes the founding of Latin America's first Montessori kindergarten. She denounces the exploitation of workers in "Bananas and Men," while "Golden Bean" reveals crooked dealings in the coffee business. Although Lyra's writings form the core of this book, the editor's essay offers important biographical information about an author and cultural milieu unfamiliar to many in the United States. Those readers interested in Latin American literature, women writers, and folktales will find this book interesting and informative. And the tales are simply wonderful reading! Elizabeth Rosa Horan is director of comparative studies in literature and associate professor of English at Arizona State University. She is the author of the award-winning *Gabriela Mistral: An Artist and Her People* and the translation editor (with Marjorie Agosin) of *House of Memory: Short Stories by Latin American Jewish Women Writers*.

Bizet's Carmen - A Full Vocal Score in French and English - Georges Bizet 2016-05-20
"Carmen" is Georges Bizet's famous opera in four acts, first performed on 3 March 1875. The libretto was based on a novella of the same title by Prosper Mérimée and was written by Henri Meilhac and Ludovic Halévy. Unfortunately, Bizet suffered an untimely death after the opera's 33rd performance, and was consequently unaware of the international success it would come to enjoy. Georges Bizet (1838 - 1875) was a French composer during the romantic era. He is most famous for his operas and his final composition, "Carmen", which remains to this day one of the most popular and commonly performed works in the entire opera repertoire. Carmen and the Staging of Spain - Michael Christoforidis 2019

Carmen and the Staging of Spain explores the Belle Époque fascination with Spanish entertainment that refashioned Bizet's opera and gave rise to an international "Carmen industry." Authors Michael Christoforidis and Elizabeth Kertesz challenge the notion of Carmen as an unchanging exotic construct, tracing the ways in which performers and productions responded to evolving fashions for Spanish style from its 1875 premiere to 1915. Focusing on selected realizations of the opera in Paris, London and New York, Christoforidis and Kertesz explore the cycles of influence between the opera and its parodies; adaptations in spoken drama, ballet and film; and the panorama of flamenco, Spanish dance, and musical entertainments. Their findings also uncover Carmen's dynamic interaction with issues of Hispanic identity against the backdrop of Spain's changing international fortunes. The Spanish response to this now most-Spanish of operas is illuminated by its early reception in Madrid and Barcelona, adaptations to local theatrical genres, and impact on Spanish composers of the time. A series of Spanish Carmens, from opera singers Elena Sanz and Maria Gay to the infamous music-hall star La Belle Otero, had a crucial influence on the interpretation of the title role. Their stories provide a fresh context for the book's reappraisal of leading Carmens of the era, including Emma Calvé and Geraldine Farrar.

La Gringa - Carmen Rivera 2008

La Gringa is about a young woman's search for her identity. Maria Elena Garcia goes to visit her family in Puerto Rico during the Christmas holidays and arrives with plans to connect with her homeland. Although this is her first trip to Puerto Rico, she has had an intense love for the island, and even majored in Puerto Rican Studies in college. Once Maria is in Puerto Rico, she realizes that Puerto Rico does not welcome her with open arms. The majority of the Puerto Ricans on the island consider her an American - a gringa - and Maria considers this a betrayal. If she's a Puerto Rican in the United States and an American in Puerto Rico, Maria concludes that she is nobody everywhere. Her uncle, Manolo, spiritually teaches her that identity isn't based on superficial and external definitions, but rather is an essence that she has had all along in her heart. Carmen - An Opera in Four Acts - Georges Bizet 1999-08-26

"Carmen" is an opera in four acts by the French composer Georges Bizet. The opera, which became Bizet's most famous work, was first performed at the Opra-Comique in Paris, on March 3, 1875, and was not at first particularly successful; its initial run extended to 36

performances. Before this run was concluded, Bizet died suddenly, and thus knew nothing of the opera's later celebrity. This is the choral score of the work, with French and English texts, and without notated accompaniment.

Carmen - Georges Bizet 2011-02

English National Opera Guides are ideal companions to the opera. They provide stimulating introductory articles together with the complete text of each opera in English and the original. Bizet describes himself as "pagan" and Carmen has a savage Mediterranean beauty quite unique in music. The essays included in this Guide suggest some reasons for its legendary theatrical appeal. Martin Cooper describes the traditional mixture of spoken words and song that stimulated Bizet to exclaim "I want to revolutionize opera-comique ": the translators show the ingenious and inspired ways in which he set about it. Lesley Wright analyzes the score and Michael Rabaud shows the uncanny appropriateness of Nietzsche's support for Bizet in his famous attacks on the decadence of Wagner. This is the first time that the complete text of the verses that Bizet set to music and the full dialogue (much of it especially translated for this Opera Guide), have ever been published.

Carmen Pomiés - Chris Rowe 2022-06-16

Carmen Pomiés (1900-1982) is a significant figure in the history of women's football in the interwar years. Carmen was in the first generation of women's sport in France, first in athletics, winning medals throwing the javelin in international competitions, and playing football for Fémina Sports and France from 1920. Her life in sport is intertwined with key personalities such as Alice Milliat and Violette Morris. Carmen also played a huge part in the story of women's football in England: she played many times for and against the famous Dick, Kerr Ladies of Preston, including their 1922 football tour of the United States. Carmen became almost an honorary Englishwoman, making lifelong friends of important footballers such as Florrie Redford, Lily Parr and Lizzy Ashcroft. During these years, Carmen was not only a player but also an important influence in promoting the game and fighting for equality. Carmen also had fascinating siblings: her brother Georges was a film star and famous modern dancer who died tragically young, her older sister Hélène was a left-wing author and translator. From 1940 Carmen was secretary to a famous film star, Renée Saint-Cyr, and was active in the French Resistance. In 1946, she settled in Rochester NY before moving to New York to work for the United Nations. From 1956, her life is shrouded in mystery because of gaps in the evidence. She died in France in 1982. So her life is about much more than just football!
