Docile - K.M. Szpara 2020-03-03

K. M. Szpara's *Docile* is a science fiction parable about love and sex, wealth and debt, abuse and power, a challenging tour de force that at turns seduces and startles. There is no consent under capitalism. To be a *Docile* is to be kept, body and soul, for the uses of the owner of your contract. To be a *Docile* is to forget, to disappear, to hide inside your body from the horrors of your service. To be a *Docile* is to sell yourself to pay your parents' debts and buy your children's future. Elisha Wilder's family has been ruined by debt, handed

down to them from previous generations. His mother never recovered from the Dociline she took during her term as a Docile, so when Elisha decides to try and erase the family's debt himself, he swears he will never take the drug that took his mother from him. Too bad his contract has been purchased by Alexander Bishop III, whose ultra-rich family is the brains (and money) behind Dociline and the entire Office of Debt Resolution. When Elisha refuses Dociline, Alex refuses to believe that his family's crowning achievement could have any negative side effects—and is determined to turn Elisha into the perfect Docile without it. Content warning: Docile contains forthright depictions and discussions of rape and sexual abuse. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Novels of Alexander the Great - Mary Renault 2013-09-10

A New York Times—bestselling trilogy about the ancient Greek kingdom of Macedon and its leader from an author hailed by Hilary Mantel as “a shining light.” *Fire from Heaven* is a gripping account of the formative years of Alexander's life. The story tells of his complex relationship with his parents; of his two great bonds—to his horse, Oxhead, and to his dearest friend and eventual lover,

Hephaestion—and of the army he commands when he is barely an adult. Coming of age during the battles for southern Greece, Alexander the Great first takes someone's life at age twelve and swiftly eliminates his rivals as soon as he comes to power, emerging in this novel as a captivating and complex figure. The iconic Persian Boy centers on the Macedon king as seen through the eyes of his lover and most faithful attendant, the eunuch Bagoas. When Bagoas is very young, his father is murdered and he is sold as a slave to King Darius of Persia. Then, when Alexander conquers the land, he is given Bagoas as a gift, and the boy is besotted. This passion comes at a time when much is at stake—Alexander has two wives, conflicts are ablaze, and plots on his life abound. The result is a riveting account of a great conqueror's years of triumph and, ultimately, heartbreak. In Funeral Games, a bloody struggle for power rages after the death of Alexander, leaving an empire that extends from the Adriatic Sea to the Indus River. The power players include Ptolemy, two father-son teams, and a cadre of influential women—not least of whom is Eurydike, whose plan is to marry Alexander's disabled brother, Arridaios. Brimming with outsize personalities, brazen plots, and a sweeping sense of history, Funeral Games brings to vivid life the world of Alexander the Great, and the seismic tumult in the wake of his death. This ebook features an illustrated biography of Mary Renault including rare images of the author. "Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us." —Hilary Mantel

The Fortress of Rain has been cursed by the enemy Boa Visk, his people trapped as phantoms within its walls, and the rain ever falling across his lands. If he does not break the curse soon, the trapped spirits will become revenirs, ghosts that feed upon the life force of the living. He needs a miracle. And he gets one. He learns of a ritual that can break the curse and free his people. But

nothing comes without a price, and the price is one Lord Domlen cannot bring himself to pay: the ritual demands blood—royal blood. Desperate, he abducts Prince Falken of Teirlan to be his blood sacrifice on the night of the red moon and forces all gentle emotion far, far away. He must save his people, even at the cost of an innocent life. But as the time of the ritual draws near, how will he find the strength to kill an innocent man? Especially one who reignites all the emotions he believed he'd buried so deeply away? Prince Falken, sorcerer from Teirlan, needs his magic to escape the Fortress of Rain, but the shackles on his wrists have cut him off from his power. When he discovers the servants around him are actually spirits, he understands the stronghold is bound by dark forces—a curse that somehow revolves around his grim, noble captor. There is dark magic here, but how can he help the strong, enigmatic Domlen while he's trapped, his powers bound? There is greater magic than that of the curse, and Falken has resources beyond Domlen's ken. But when the ritual goes horribly wrong, how will Falken make his enemy trust him? And how will he save the man he's coming to love? Keywords: LGBT fantasy, m/m fantasy romance, fantasy romance, enemies to lovers

Fence: Striking Distance - Sarah Rees Brennan 2020-09-29

The boys of Kings Row bout with drama, rivalry, and romance in this original YA novel by The New York Times bestselling author Sarah Rees Brennan – inspired by the award-nominated comic series by C.S. Pacat and Johanna The Mad. Sixteen-year-old Nicholas Cox is the illegitimate son of a retired fencing champion who dreams of getting the proper training he could never afford. After earning a place on the elite Kings Row fencing team, Nicholas must prove himself to his rival, Seiji Katayama, and navigate the clashes, friendships, and relationships between his teammates on the road to state championships -- where Nicholas might finally have the chance to spar with his golden-boy half-brother. Coach Williams decides to take advantage of the boys' morale after a recent victory and assigns them a course of team building exercises to further deepen their bonds. It takes a shoplifting scandal, a couple of moonlit forest strolls, several hilariously bad dates, and a whole lot of introspection for the team to realize they are stronger together than they could ever be apart. The first installment of this enticing original YA novel series by Sarah Rees Brennan, rich with casual diversity and queer self-discovery, explores never-before-seen drama inspired by C.S. Pacat's critically acclaimed Fence comic series and boasts original cover and interior art by Johanna The Mad. Text and Illustration copyright: © 2020 BOOM! StudiosFence(TM) and © 2020 C.S. Pacat
