Cane & Rush Seating - Charlotte Lahalle 2013

Learn traditional chair seating using six-strand caning or rush weaving with marsh grass, straw, and alternative materials. These two crafts share the same skills and can be used for creating new seats or restoring old, so it is no longer necessary to ditch that old kitchen chair with the fraying seat.

Instead, simply repair the seat or give it a new one. Clearly explained with 197 color images and diagrams, this essential guide will help you create beautiful seats on stools, chairs, armchairs, and more. For caning, instructions include preparing the seat, laying the cane strands, joining two cane strands, padding, and the materials and tools needed. Rush weaving techniques include making a strand by twisting straw threads, making the seat, tightening, and padding. Once you have mastered the basics of caning or rush work, they can easily be adapted for different seat shapes. This book is perfect for furniture makers, the home fix-it-upper, and the weekend crafter.

Benches, Stools, and Chairs - Walter Turpening 2022-07

Walter Turpening has been designing and perfecting custom seating for crafters and artistic creators (particularly weavers, knitters, handspinners, and musicians) for 20-plus years. His signature cotton-cord, curved, woven seats on fine woodworked frames are sought after by crafters, and he operates on an average two-year waiting list. In recent years, he has expanded his repertoire to include ergonomic office chairs and barstools. He has also been teaching his techniques for many years, and this book is a compilation of his design journal and instructions for his methods, including the wooden furniture designs and weaving designs. At 73 years young, it is Walt's desire to share his treasury of knowledge for the benefit of furniture makers and crafters. At the heart of Walt's methods is making each seat specifically to fit the intended user while working at their favorite craft. In this book, he teaches the measurements needed for perfect ergonomic comfort. With his step-by-step instructions, photos, and diagrams, you will be able to replicate his methods to create your own custom seating for benches, chairs, stools, rockers, and more.
