A carefully crafted pedagogical apparatus featuring *Conversaciones creadora* mini-dramas, written by renowned Spanish novelist Carmen Martin Gaité, challenges students to become active participants in the learning process. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

CAPERUCITA EN MANHATTAN. - CARMEN. MARTIN GAITE 2019

Revisioning Red Riding Hood around the World - Sandra L. Beckett 2013-11-01

Across various time periods, audiences, aesthetics, and cultural landscapes, Little Red Riding Hood is a universal icon, and her story is one of the world's most retold tales. In *Revisioning Red Riding Hood Around the World: An Anthology of International Retellings*, Sandra L. Beckett presents over fifty

notable modern retellings, only two of which have appeared previously in English. The tales include works published in twenty-four countries and sixteen languages, in texts that span more than a century, but with the majority written in the last fifty years. They include retellings for children, adolescents, and adults, as well as crossover works intended for an audience of all ages. The tales in this volume progress from works that recast the story of Little Red Riding Hood from traditional perspectives through more playful versions to more unconventional approaches. Seven sections are arranged thematically: Cautionary Tales for Modern Riding Hoods, Contemporary Riding Hoods Come of Age, Playing with the Story of Red Riding Hood and the Wolf, Rehabilitating the Wolf, The Wolf's Story, The Wolf Within, and Running with the Wolves. Beckett provides an interpretative introduction to each text and insightful information on its author and/or illustrator. A variety of genres are represented, including fairy tale, short story, novella, novel, poetry, illustrated books, and picture books. More than 90 illustrations, both color plates and black-and-white images, reveal further narrative layers of meaning. The number and diversity of retellings in *Revisioning Red Riding Hood* demonstrate the tale's remarkable versatility and its exceptional status in the collective unconscious and in literary culture, even beyond the confines of the Western world. This unique anthology contributes to cross-cultural exchange and facilitates comparative study of the tale for readers interested in fairy-tale studies, cultural studies, and literary history.

Beyond The Back Room - Marian Womack 2011

This collection of essays examines current trends in scholarly research on Spanish author Carmen Martín Gaité (1925-2000). It concentrates on the least explored areas of Martín Gaité's oeuvre, such as her collage artwork, the relationship between image and text in her work, and her close relationship with themes such as genre writing, the fairy tale, and textual/physical notions of space, as well as her personal theories on orality and narration. As we pass the tenth anniversary of her death, Martín Gaité continues to be an increasing focus of study, as scholars start to identify and comprehend the breadth and scope of her work. The essays in the volume complement previous studies of Martín Gaité's major works from the 1960s and 1970s by focusing largely on her later novels, together with in-depth analysis of the manuscripts and artistic materials that have been made available since her death.

Approaches to Teaching the Works of Carmen Martín Gaité - Joan L. Brown
2014-02-11

The career of Spain's celebrated author Carmen Martín Gaité spanned the Spanish Civil War, Franco's dictatorship, and the nation's transition to democracy. She wrote fiction, poetry, drama, screenplays for television and film, and books of literary and cultural analysis. The only person to win Spain's National Prize for Literature (Premio Nacional de las Letras) twice, Martín Gaité explored and blended a range of genres, from social realism to the fantastic, as she took up issues of gender, class, economics, and aesthetics in a time of political upheaval. Part 1 ("Materials") of this volume provides resources for instructors and a literary-historical chronology. The essays in part 2 ("Approaches") consider Martín Gaité's best-known novel, *The Back Room* (*El cuarto de atrás*), and other works from various perspectives: narratological, feminist, sociocultural, stylistic. In an appendix, the volume editor, who was a friend of the author, provides a new translation of Martín Gaité's only autobiographical sketch, alongside the original Spanish.

Carmen Martín Gaité - Ester Bautista Botello 2019-01-09

This book reconstructs the poetics of Carmen Martín Gaité by viewing the concept of journey as a fundamental principle upon which she bases and elaborates her narrative writing of the 1990s. Five novels published in this

period receive critical attention, all of which coincide with the last trips taken by the writer to New York: *Caperucita en Manhattan* (1990), *Nubosidad variable* (1992), *La reina de las nieves* (1994), *Lo raro es vivir* (1996) and *Irse de casa* (1998). To the extent that the journey is the essence of the narrative under consideration, the concept is analysed as an aesthetic practice and an attempt to identify a series of actions, which allow us to link the writer's novels with two areas that have previously received only scant critical scrutiny: geography and the visual dimension. This book presents a comparative and interdisciplinary analysis of space in Martín Gaité's narrative as well as in her collages, drawings and paintings.

Fantasiewelten bei Juan José Millás und Carmen Martín Gaité - Ida Blick 2011
Bachelorarbeit aus dem Jahr 2011 im Fachbereich Romanistik - Spanische Sprache, Literatur, Landeskunde, Note: 1,3, Friedrich-Schiller-Universität Jena (Institut für Romanistik/Literaturwissenschaft), Sprache: Deutsch, Abstract: Dass das Phänomen "Fantasiewelten" ein unerschöpfliches Sujet ist, hat sich nicht nur im englischsprachigen Raum durch John J.R Tolkien oder Joane K. Rowling, sondern auch durch spanischsprachige Autoren wie Carmen Martín Gaité und Juan José Millás gezeigt. Aus diesem Grund wird in vorliegender Arbeit ein Vergleich zweier Werke der beiden Schriftsteller durchgeführt. Aufgrund ihrer Gemeinsamkeiten werden *Caperucita en Manhattan* und *El orden alfabético* hier als Primärliteratur verwendet. Vor der Analyse von Millás' und Martín Gaités Büchern werden fantastische Elemente zunächst im Allgemeinen in einem Theorie-Teil erläutert. Dabei wird eine Einführung nach Todorov gegeben und Merkmale in der Erzählebene, die Bedeutung von Wirklichkeit und Realität, aber auch Raum, Zeit und die Motive veranschaulicht. Anschließend erfolgt eine Abgrenzung der Fantastik von Märchen, Magischem Realismus und Fantasy. Danach wird das Neofantastische vorgestellt. Erst dann können die Werke *El orden alfabético* und *Caperucita en Manhattan* analysiert und miteinander verglichen werden. Dabei wird nach einer Inhaltszusammenfassung versucht, zu beantworten, welche literarischen Merkmale sich in den beiden Werken finden lassen. Danach werden jeweils Motive, Symbole und Charakteristika herausgearbeitet. Mit der Annahme, dass beide Protagonisten mitunter in einer Parallelwelt leben, ist im Anschluss zu fragen, welche Rolle die Fantasie spielt und inwieweit Traum und Realität in den Werken verschwimmen. Ein wesentlicher Punkt ist auch die Bedeutung von der Fantasmatik der Sprache bzw. Buchstaben. Bei der anschließenden komparatistischen Untersuchung stellen sich außerdem die Fragen: Welche inhaltlichen Gemeinsamkeiten gibt es? Lassen sich formale oder technische Übereinstimmu

Caperucita en Manhattan - Carmen Martín Gaité 1990

Red Riding Hood for All Ages - Sandra L. Beckett 2008

A global study of modern adaptations for readers of all ages of Little Red Riding Hood.

Interdisciplinary and Cross-cultural Narratives in North America - Mark

Cronlund Anderson 2005

North America is becoming increasingly interdisciplinary and cross-cultural. In this emerging context narratives play a crucial role in weaving patterns that in turn provide fabrics for our lives. In this thoroughly original collection, *Interdisciplinary and Cross-Cultural Narratives in North America*, a dozen scholars deploy a variety of provocative and illuminating approaches to explore and understand the many ways that stories speak to, from, within, and across culture(s) in North America.

La Memoria De Los Seres Perdidos - Sierra I. Fabra

The Spiritual Consciousness of Carmen Martín Gaité - Anne-Marie Storrs
2023-03-07

Spanish writer Carmen Martín Gaité (1925-2000) defined religioso as the reconnection of that which was previously united, namely, the day-to-day and supernatural worlds - here defined as consciousness and the unconscious, bringing awareness and wholeness. In this book, Martín Gaité's religious outlook is explored through the inner journeys of five female characters in *El balneario*, *Lo raro es vivir*, *Irse de casa* and *Nubosidad variable*. Spanish writer Carmen Martín Gaité (1925-2000) defined religioso as the reconnection of that which was previously united, namely, the day-to-day and supernatural worlds - here defined as consciousness and the unconscious, bringing awareness and wholeness. In this book, Martín Gaité's religious outlook is explored through the inner journeys of five female characters in *El balneario*, *Lo raro es vivir*, *Irse de casa* and *Nubosidad variable*. For Martín Gaité, a truly religious, or spiritual, perspective requires conscious attention to the products of the unconscious (dreams, images, memories, premonitions), followed by reflection and action, as well as a similar attentiveness and responsiveness to external events both large and small. This reconnection of the supernatural and day-to-day worlds also involves descent to the unconscious - the way to wholeness - as depicted in so many myths and fairy tales, including those which Martín Gaité used to retell or enhance the works analysed in this book: *Sleeping Beauty*, *The Little Mermaid*, *Amor and Psyche*, *Demeter and Persephone*, and the *Descent of the Goddess Inanna*. Looking at the extent to which these female characters attend to, reflect on, and respond to their dreams, images, memories and events, the analysis suggests that Martín Gaité uses her stories to try to communicate both the road to her own enlightenment and warnings about paths that lead away from this.

Variable Cloud - Carmen Martín Gaité 2013-01-01

An impassioned correspondence between two former school friends as they reach crisis in middle age, from the prize-winning Spanish novelist Carmen Martín Gaité. Sofia is a mother of three grown-up children and trapped in a loveless marriage to Eduardo. Mariana is a successful psychiatrist, incapable of forming stable relationships with men. As their lives reach crises in middle age, these two women, former school friends who had grown apart, reach out to each other through an exchange of impassioned letters in Gaité's effusive epistolary novel. Mariana, a psychiatrist and TV pundit, flees Madrid for a friend's empty house in a coastal resort, where she obsesses over Raimundo, a suicidal, manic-depressive writer who seems part friend, part patient, part lover. Her old friend, Sofia, walks out on her vain, hypercritical husband, Eduardo, a business executive who talks only about money, and moves in with her three rebellious children, who share a disorderly apartment. In alternating voices mixing letters with notebook excerpts and invented stories, the two women relentlessly analyze their relationships, erotic fantasies and trips abroad. Strewn with allusions to Kafka, Dali, Bunuel, Tagore and Katherine Mansfield, their outpourings incorporate meditations on memory, love, sex, the treacherous

nature of words, chance and the difficulty of confronting one's past without embellishing it.

1001 Children's Books You Must Read Before You Grow Up - Julia Eccleshare
2009-10-27

This is the best and most authoritative guide to classic and contemporary children's literature today. It is the latest in the best-selling 1001 series, and its informative reviews are the key to differentiating the "must-read" books from all the rest in the realm of children's books. Whether you are a parent seeking to instill a love of reading in your child, an educator or counselor looking for inspiration, or a young reader with a voracious appetite, this guide to the best writing for children and young adults covers the spectrum of children's literature. It is organized by age group—from board books to YA novels and all the gradations in between. Each entry features evaluations by a team of international critics complete with beautifully reproduced artwork from the featured title. The beloved classics are here, but the guide also takes a global perspective and includes the increasingly diverse contributions from African American and Latino authors and illustrators—not to mention important books from around the world.

2001

Análisis de temas en Dos cuentos maravillosos y Caperucita en Manhattan de Carmen Martín Gaité - Shiang-Jiun Yi 2010

Lengua y literatura española e hispanoamericana. Los últimos diez años - Dante Liano 2004

Recycling Red Riding Hood - Sandra Beckett 2013-10-11

Sandra Beckett's book explores the contemporary retelling of the Red Riding Hood tale in Western children's literature.

Living's the Strange Thing - Carmen Martín Gaité 2013-01-01

As compulsively page-turning as a thriller, Carmen Martín Gaité's drama of broken dreams, lies, and the search for love is an intense meditation on the strange adventure of living "Ever since the beginning of the world, living and dying have been two sides of one coin, tossed in the air - But for me - to be perfectly honest - living's the strange thing" The protagonist of this novel, a 35-year-old woman who has lived hard and loved hard, has just lost her mother. Struggling to keep her curiosity about an inexplicable world intact, she finds her precarious equilibrium constantly besieged by resurfacing oddballs from her past and her own tendency to daydream. To force a little structure into her life, she decides to pick up her old, unfinished doctoral dissertation about an extravagant 18th century adventurer. As she wades through old papers in a dusty archive, she is forced to confront her own strange childhood, her parents' strange relationship, and the feelings that bond her to the strange architect she shares a life with.

Calila - Joan Lipman Brown 2021

"Calila: The Later Novels of Carmen Martín Gaité explores the last six novels by Spain's most honored contemporary woman writer. Its scholarship is enriched by the voice of Calila herself—as Brown called Martín Gaité, who was a dear friend—as they conversed and exchanged letters during the composition of the novels. The book opens with an introduction to Martín Gaité's life and literature and ends with a consideration of her legacy. Each central chapter analyzes a later novel in its historical, biographical, and critical contexts. From the young adult fantasy *Caperucita en Manhattan* (Red Riding Hood in Manhattan) to the post-Transition epistolary masterpiece *Nubosidad variable*

(Variable Cloud), the Transition-era saga *La Reina de las Nieves* (The Farewell Angel), the Proustian reminiscence *Lo raro es vivir* (Living's the Strange Thing), the narrative tapestry *Irse de casa* (Leaving Home), and the memoir of family secrets *Los parentescos* (Family Relations), these fascinating novels evoke themes that resonate today"--

Una propuesta de lectura para "Caperucita en Manhattan" - David González Couso 2008

Traducción comentada al neerlandés de la novela "Caperucita en Manhattan" por Carmen Martín Gaité - Ton van Wamel 1992

The Back Room - Carmen Martín Gaité 2000-04-01

In the middle of the night, a woman awakens to find a stranger in her bedroom. Though she cannot determine who he is--or, indeed, whether he is even real at all and not just an extension of her dreams or her writing--she is drawn into a conversation...

New Horizons in the Study of Motion - Alberto Hijazo-Gascón 2015-11-25
Talmy's lexicalization patterns and Slobin's "Thinking for Speaking" hypothesis have attracted a lot of attention in fields such as linguistics, psychology, and anthropology, among others. While researchers might not agree on how, or to what extent, lexicalization patterns influence speakers' online/offline verbalization of motion, it is an undeniable fact that these theories have been, and still are, a "trending topic" in these research areas, evidenced by the contributions to this book. All papers brought together here use Talmy's and Slobin's ideas as a point of departure to explore how second language learners acquire these motion patterns, to explain what translators render in their target languages, and to refine some basic notions such as Path, Deixis, or fictive motion, and use them as a springboard to find new applications and understand other linguistic phenomena. All in all, this book provides insights into new ways of applying motion and widening theoretical perspectives, allowing these models to maintain their relevance and importance.

Windows and Words - Aida Hudson 2003-08-13

This collection of essays confirms and celebrates the artistry of Canadian children's literature. Contributors include Janet Lunn and Tim Wynne-Jones.

Love Customs in Eighteenth-century Spain - Carmen Martín Gaité 1991-01-01

It was customary for the wife of a nobleman in eighteenth-century Spain to be courted fervently and seemingly forever, by a man who was not her husband. This liaison, accepted and even encouraged by the husband, was presumably platonic, though that may not always have been the case. It was carried on according to a complex, if ambiguous, code of companionship and whispered conversation. With the help of a lively blend of archival documents and literary sources, Carmen Martín Gaité admits us to the intricacies of the code and unravels its significance for the women who enjoyed the attention of a cortejo, or escort. Why was the cortejo tolerated, by society and by the woman's aristocratic family, even though it infringed traditional religious precepts? What did woman and her friend talk about at such length? Was their flirtation intellectual, reflecting the effects of Enlightenment rationalism on Spanish culture? Letters, memoirs, and travel journals as well as dramatic works of the period offer invaluable clues to the nature of these relationships, in which the woman was almost ritually adored and placed on a pedestal. The conversation, we learn, was generally frivolous, focusing on possessions and luxuries in a way that clearly signals economic change and the dawn of a material age. At the same time, the cortejo did represent a taste of symbolic liberation for women

whose social lives were rigidly constrained. Clarifying details from a great variety of historical sources are presented with the urgency and fluidity of a novel in this excellent English translation -- Book jacket.

Crossover Fiction - Sandra L. Beckett 2010-11-24

In *Crossover Fiction*, Sandra L. Beckett explores the global trend of crossover literature and explains how it is transforming literary canons, concepts of readership, the status of authors, the publishing industry, and bookselling practices. This study will have significant relevance across disciplines, as scholars in literary studies, media and cultural studies, visual arts, education, psychology, and sociology examine the increasingly blurred borderlines between adults and young people in contemporary society, notably with regard to their consumption of popular culture.

Calila - Joan L. Brown 2021-04-16

Calila: The Later Novels of Carmen Martín Gaité explores the last six novels by Spain's most honored contemporary woman writer. Its scholarship is enriched by the voice of Calila herself—as Brown called Martín Gaité, who was a dear friend—as they conversed and exchanged letters during the composition of the novels. Caperucita en Mahattan - Carmen Martín Gaité 1991

Caperucita en Manhattan - Carmen Martín Gaité 1990

Sara Allen es una niña de diez años que vive en Brooklyn, Nueva York. Su mayor deseo es ir sola a Manhattan para llevar a su abuela un tarta de fresa. La abuela de esta moderna Caperucita ha sido cantante de music-hall y se ha casado varias veces. El lobo es mister Woolf, un pastelero multimillonario que vive cerca de Central Park en un rascacielos con forma de tarta. Pero el hilo mágico de este relato se centra en miss Lunatic, una mendiga sin edad que vive de día oculta en la estatua de la Libertad y que sale de noche para mediar en las desgracias humanas o, si es necesario, llegar a regalar un elixir capaz de vencer al miedo.
