Teaching What Really Happened - James W. Loewen 2018-09-07

“Should be in the hands of every history teacher in the country.”— Howard Zinn James Loewen has revised *Teaching What Really Happened*, the bestselling, go-to resource for social studies and history teachers wishing to break away from standard textbook retellings of the past. In addition to updating the scholarship and anecdotes throughout, the second edition features a timely new chapter entitled “Truth” that addresses how traditional and social media can distort current events and the historical record. Helping students understand what really happened in the past will empower them to use history as a tool to argue for better policies in the present. Our society needs engaged citizens now more than ever, and this book offers teachers concrete ideas for getting students excited about history while also teaching them to read critically. It will specifically help teachers and students tackle important content areas, including Eurocentrism, the American Indian experience, and slavery. Book Features: An up-to-date assessment of the potential and pitfalls of U.S. and world history education. Information to help teachers expect, and get, good performance from students of all racial, ethnic, and socioeconomic backgrounds. Strategies for incorporating project-oriented self-learning, having students conduct online historical research, and teaching historiography. Ideas from teachers across the country who are empowering students by teaching what really happened. Specific chapters dedicated to five content topics usually taught poorly in today’s schools.

Give Me Liberty!, 6e Seagull Volume 1 with Media Access Registration Card + Voices of Freedom, 6e Volume 1 - Eric Foner 2019-12-05

A Discourse Concerning Western Planting - Richard Hakluyt 1877

A House Divided - Eric Foner 1990

In conjunction with a ten-year exhibit at the Chicago Historical Society, beginning January 1990.

American Horizons - Michael Schaller 2020-09

American Horizons is the only U.S. History survey text that presents the traditional narrative in a global context. The seven-author team uses the frequent movement of people, goods, and ideas into, out of, and within America's borders as a framework. This unique approach provides a fully integrated global perspective that seamlessly contextualizes American events within the wider world. The authors, all acclaimed scholars in their specialties, use their individual strengths to provide students with a balanced and inclusive account of U.S. history. Presented in two volumes for maximum flexibility, American Horizons illustrates the relevance of U.S. history to American students by centering on the matrix of issues that dominate their lives. These touchstone themes include population movements and growth, the evolving definition of citizenship, cultural change and continuity, people's relationship to and impact upon the environment, political and ideological contests and their consequences, and Americans' five centuries of engagement with regional, national, and global institutions, forces, and events. In addition, this beautifully designed, full-color book features hundreds of photos and images and more than one hundred maps. American Horizons contains ample pedagogy, including: * America in the World, visual guides to the key interactions between America and the world * Global Passages, which feature unique stories connecting America to the world * Visual Reviews providing post-reading summaries to help students to connect key themes or events within a chapter * Maps and Infographics that explore essential themes in new ways

Wilmington's Lie - David Zucchino 2021-01-19

From Pulitzer Prize-winner David Zucchino comes a searing account of the Wilmington riot and coup of 1898, an extraordinary event unknown to most Americans

Give Me Liberty! - Eric Foner 2020

This first of two volumes presents an introduction to the history of America from pre-Columbian times to Reconstruction. This edition includes new coverage of inclusion and exclusion as it has played out in American law and institutions, political and social movements, family and individual aspirations, and

race, gender, and ethnicity. The author emphasizes the effect of contact among peoples of three different continents, the creation of an "American" people, and the evolving definitions of freedom and equality.

The Red Herring Effect - Paul James Sisler II 2021-05-11

Systemic discrimination, recidivism, poor education, poverty, a flawed health-care system, and a corporate-controlled government are not new topics. Few remedies are tendered to alleviate these afflictions. Today's political storm is the evidence. Victims of police brutality. Protestors wanting justice. Business owners closing their doors. Teachers unable to educate. First responders lacking resources. The evicted unemployed. Politicians serving their corporate masters. The people affected by this political storm are seeking answers. The Red Herring Effect promotes critical thinking. It presents step-by-step strategies to reduce or abolish the problems plaguing our nation. The design of this book is to open the eyes of the politically divided people instead of creating propaganda designed to divide.

Voices of Freedom - Eric Foner 2005

Edited by Eric Foner and coordinated with each chapter of the text, this companion to Give Me Liberty! includes primary-source documents touching on the theme of American freedom. The freedom theme is explored in the words of well-known historical figures and ordinary Americans. Each document is accompanied by an introductory headnote and study questions.

Story of American Freedom - Eric Foner 1999-09-07

Freedom is the cornerstone of his sweeping narrative that focuses not only congressional debates and political treatises since the Revolution but how the fight for freedom took place on plantation and picket lines and in parlors and bedrooms.

48 Liberal Lies about American History - Larry Schweikart 2008

As he did in his popular "A Patriot's History of the United States," Schweikart corrects liberal bias by rediscovering facts that were once widely known. He challenges distorted books by name and debunks 48 common myths.

Give Me Liberty!: An American History Seagull 6E Combined Vol - Foner, Eric 2019-12-01

A powerful text by an acclaimed historian, Give Me Liberty! delivers an authoritative, concise, and integrated American history. In the Sixth Edition, Eric Foner addresses a question that has motivated, divided, and stirred passionate debates: "Who is an American?" With new coverage of issues of inclusion and exclusion—reinforced by new primary source features in the text and a new secondary source tutorial online—Give Me Liberty! strengthens students' most important historical thinking skills. The Seagull Edition offers the complete text of the Full Edition in full color and a portable trim size with fewer illustrations and maps and an exceptionally low price.

The Norton Reader - Melissa A. Goldthwaite 2016

The classic reader that has introduced millions of students to the essay as a genre.

Free Soil, Free Labor, Free Men - Eric Foner 1995-04-20

Since its publication twenty-five years ago, *Free Soil, Free Labor, Free Men* has been recognized as a classic, an indispensable contribution to our understanding of the causes of the American Civil War. A key work in establishing political ideology as a major concern of modern American historians, it remains the only full-scale evaluation of the ideas of the early Republican party. Now with a new introduction, Eric Foner puts his argument into the context of contemporary scholarship, reassessing the concept of free labor in the light of the last twenty-five years of writing on such issues as work, gender, economic change, and political thought. A significant reevaluation of the causes of the Civil War, Foner's study looks beyond the North's opposition to slavery and its emphasis upon preserving the Union to determine the broader grounds of its willingness to undertake a war against the South in 1861. Its search is for those social concepts the North accepted as vital to its way of life, finding these concepts most clearly expressed in the ideology of the growing Republican party in the decade before the war's start. Through a careful analysis of the attitudes of leading factions in the party's formation (northern Whigs, former

Democrats, and political abolitionists) Foner is able to show what each contributed to Republican ideology. He also shows how northern ideas of human rights--in particular a man's right to work where and how he wanted, and to accumulate property in his own name--and the goals of American society were implicit in that ideology. This was the ideology that permeated the North in the period directly before the Civil War, led to the election of Abraham Lincoln, and led, almost immediately, to the Civil War itself. At the heart of the controversy over the extension of slavery, he argues, is the issue of whether the northern or southern form of society would take root in the West, whose development would determine the nation's destiny. In his new introductory essay, Foner presents a greatly altered view of the subject. Only entrepreneurs and farmers were actually "free men" in the sense used in the ideology of the period. Actually, by the time the Civil War was initiated, half the workers in the North were wage-earners, not independent workers. And this did not account for women and blacks, who had little freedom in choosing what work they did. He goes on to show that even after the Civil War these guarantees for "free soil, free labor, free men" did not really apply for most Americans, and especially not for blacks. Demonstrating the profoundly successful fusion of value and interest within Republican ideology prior to the Civil War, *Free Soil, Free Labor, Free Men* remains a classic of modern American historical writing. Eloquent and influential, it shows how this ideology provided the moral consensus which allowed the North, for the first time in history, to mobilize an entire society in modern warfare.

Give Me Liberty! - Eric Foner 2017

The Norton Anthology of American Literature - 2003

Africans at Home and in the United States - Emeka C. Anaedozie 2021-02-25

In *Africans at Home and in the United States: One People, One Problem, One Destiny*, Emeka C. Anaedozie examines Pan-African cultural and intellectual history, focusing on sociocultural commonalities and challenges facing African people. To this end, Dr. Anaedozie argues that, since oppression divided Africans, Pan-Africanism is the natural antidote to the subjugation that forcefully separated, enslaved, and colonized Africans.

Give Me Liberty! An American History - Eric Foner 2016-09-15

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, *Give Me Liberty!* delivers an authoritative, accessible, concise, and integrated American history. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool.

History of Modern Europe - John Merriman 1999-05-01

Available in both one-volume and two-volume paperback editions, *A History of Modern Europe* presents a panoramic survey of modern Europe from the Renaissance to the present day. A seasoned teacher and talented historian, Professor John Merriman offers a carefully crafted narrative that guides students through a vast amount of complex material, integrating the many aspects of the European experience into a larger, interconnected whole. A full ten percent shorter than its predecessor, the Second Edition has tightened organization throughout to make room for recent research and descriptions of the current issues and events that define Europe's role in the world today.

Give Me Liberty! - Eric Foner 2008

Concise, clear, compact, Eric Foner's brilliant synthesis of American history is the perfect teaching tool for the U.S. survey course.

Give Me Liberty!: An American History (Brief Fourth Edition) (Vol. 2) - Eric Foner 2014-02-07

The leading text in a brief, full-color edition. Clear, concise, integrated, and up-to-date, *Give Me Liberty!* is a proven success with teachers and students. Eric Foner pulls the pieces of the past together into a cohesive picture, using the theme of freedom throughout. The Brief Fourth Edition is streamlined and

coherent, and features stronger coverage of American religion, a bright four-color design, and a reinforced pedagogical program aimed at fostering effective reading and study skills.

Going to the Source, Volume II: Since 1865 - Victoria Bissell Brown 2019-09-06

Many document readers offer lots of sources, but only *Going to the Source* combines a rich selection of primary sources with in-depth instructions for how to use each type of source. Mirroring the chronology of the U.S. history survey, each chapter familiarizes students with a single type of source while focusing on an intriguing historical episode such as the Cherokee Removal or the 1894 Pullman Strike. Students practice working with a diverse range of source types including photographs, diaries, oral histories, speeches, advertisements, political cartoons, and more. A capstone chapter in each volume prompts students to synthesize information on a single topic from a variety of source types. The wide range of topics and sources across 28 chapters provides students with all they need to become fully engaged with America's history.

Give Me Liberty! - Eric Foner 2013-10-11

It's the leading text in the field because it works in the classroom.

Voices of Freedom - Eric Foner 2014

The best-selling companion reader to the *Give Me Liberty!* family of books.

Midnight Rising - Tony Horwitz 2011-10-25

A New York Times Notable Book for 2011 A Library Journal Top Ten Best Books of 2011 A Boston Globe Best Nonfiction Book of 2011 Bestselling author Tony Horwitz tells the electrifying tale of the daring insurrection that put America on the path to bloody war. Plotted in secret, launched in the dark, John Brown's raid on Harpers Ferry was a pivotal moment in U.S. history. But few Americans know the true story of the men and women who launched a desperate strike at the slaveholding South. Now, *Midnight Rising* portrays Brown's uprising in vivid color, revealing a country on the brink of explosive conflict. Brown, the descendant of New England Puritans, saw slavery as a sin against America's founding principles. Unlike most abolitionists, he was willing to take up arms, and in 1859 he prepared for battle at a hideout in Maryland, joined by his teenage daughter, three of his sons, and a guerrilla band that included former slaves and a dashing spy. On October 17, the raiders seized Harpers Ferry, stunning the nation and prompting a counterattack led by Robert E. Lee. After Brown's capture, his defiant eloquence galvanized the North and appalled the South, which considered Brown a terrorist. The raid also helped elect Abraham Lincoln, who later began to fulfill Brown's dream with the Emancipation Proclamation, a measure he called "a John Brown raid, on a gigantic scale." Tony Horwitz's riveting book travels antebellum America to deliver both a taut historical drama and a telling portrait of a nation divided—a time that still resonates in ours.

The American Yawp - Joseph L. Locke 2019-01-22

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," *Leaves of Grass* *The American Yawp* is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The *Yawp* highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, *The American Yawp* incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of *The American Yawp* will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas

home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

Give Me Liberty! - Eric Foner 2008

Adopted at over 600 universities, colleges, and schools across the country, Eric Foner's Give Me Liberty! is making a difference in the American history survey course.

Going to the Source - Victoria Bissell Brown 2004

Who Owns History? - Eric Foner 2002-04-20

Presents a series of nine previously published essays by the noted historian in which he reflects on how history is used and understood, the cultural and historical determinants of what a historian chooses to study, and other topics.

Webs of Humankind - McNeill, J.R. 2020-09-11

A leader in the field presents a cohesive narrative of world history that effectively addresses the main challenge of the introductory survey: how to navigate beginning students through the vast detail of the subject. McNeill uses connective webs—along which trade, religious beliefs, technologies, pathogens, and much else traveled—to organize details and keep the big picture in view. Students emerge with clear takeaways and a strong sense of the basic dynamics of world history. Together with digital resources that amplify the webs approach and highlight diverse types of evidence, John McNeill's The Webs of Humankind offers a clear and effective teaching tool for the world history survey course.

American History: A Very Short Introduction - Paul S. Boyer 2012-08-16

In a miracle of concision, Paul S. Boyer provides a wide-ranging and authoritative history of America, capturing in a compact space the full story of our nation. Ranging from the earliest Native American settlers to the presidency of Barack Obama, this Very Short Introduction offers an illuminating account of politics, diplomacy, and war as well as the full spectrum of social, cultural, and scientific developments that shaped our country. Here is a masterful picture of America's achievements and failures, large-scale socio-historical forces, and pivotal events. Boyer sheds light on the colonial era, the Revolution and the birth of the new nation; slavery and the Civil War; Reconstruction and the Gilded Age; the Progressive era, the Roaring Twenties and the Great Depression; the two world wars and the Cold War that followed; right up to the tragedy of 9/11, the wars in Iraq and Afghanistan, and the epoch-making election of Barack Obama. Certain broad trends shape much of the narrative—immigration, urbanization, slavery, continental expansion, the global projection of U.S. power, the centrality of religion, the progression from an agrarian to an industrial to a post-industrial economic order. Yet in underscoring such large themes, Boyer also highlights the diversity of the American experience, the importance of individual actors, and the crucial role of race, ethnicity, gender, and social class in shaping the contours of specific groups within the nation's larger tapestry. And along the way, he touches upon the cultural milestones of American history, from Tom Paine's *The Crisis* to Allen Ginsberg's *Howl*. *American History: A Very Short Introduction* is a panoramic history of the United States, one that covers virtually every topic of importance—and yet can be read in a single day.

The Second Founding: How the Civil War and Reconstruction Remade the Constitution - Eric Foner 2019-09-17

From the Pulitzer Prize-winning scholar, a timely history of the constitutional changes that built equality into the nation's foundation and how those guarantees have been shaken over time. The Declaration of Independence announced equality as an American ideal, but it took the Civil War and the subsequent adoption of three constitutional amendments to establish that ideal as American law. The Reconstruction

amendments abolished slavery, guaranteed all persons due process and equal protection of the law, and equipped black men with the right to vote. They established the principle of birthright citizenship and guaranteed the privileges and immunities of all citizens. The federal government, not the states, was charged with enforcement, reversing the priority of the original Constitution and the Bill of Rights. In grafting the principle of equality onto the Constitution, these revolutionary changes marked the second founding of the United States. Eric Foner's compact, insightful history traces the arc of these pivotal amendments from their dramatic origins in pre-Civil War mass meetings of African-American "colored citizens" and in Republican party politics to their virtual nullification in the late nineteenth century. A series of momentous decisions by the Supreme Court narrowed the rights guaranteed in the amendments, while the states actively undermined them. The Jim Crow system was the result. Again today there are serious political challenges to birthright citizenship, voting rights, due process, and equal protection of the law. Like all great works of history, this one informs our understanding of the present as well as the past: knowledge and vigilance are always necessary to secure our basic rights.

Readings for Writers - 2013

A People's History of the United States - Howard Zinn 2003-04-01

Presents the history of the United States from the point of view of those who were exploited in the name of American progress.

Give Me Liberty! An American History - Eric Foner 2017-05-01

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, Give Me Liberty! delivers an authoritative, accessible, concise, and integrated American history. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool. The best-selling Seagull Edition is also available in full color for the first time.

Going to the Source, Volume 1: To 1877 - Victoria Bissell Brown 2007-09-04

Lots of readers offer lots of sources, but only Going to the Source gives students a clear method for how to use them. The reader's strong pedagogical framework, developed by historians with extensive teaching experience, helps students learn how to ask fruitful questions in order to evaluate documents effectively and develop critical reading skills. Mirroring the chronology of the U.S. history survey, each chapter introduces students to the excitement of working with documents by focusing on a single intriguing historical episode. The reader's wide variety of chapter topics that complement the survey course and its rich diversity of sources -- from personal letters to political cartoons -- provokes students' interest as it teaches them the skills they need to successfully grapple with historical sources.

U.S. History - P. Scott Corbett 2017-12-19

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Give Me Liberty! - Eric Foner 2014

The leading text, in a compact, value edition.
