The Peter James Collection - Peter James 2020-05-28

THREE PETER JAMES TITLES IN ONE! Twilight Three muffled thuds ring from the partially filled grave of the newly wed girl. Only the verger hears them and he dismisses the noise as his imagination. But when an exhumation order is granted, reporter Kate Hemingway sneaks into the small suburban churchyard when the coffin is opened, and the scene she witnesses is so horrific she can never forget it. As she starts work on the story, Kate finds herself caught up in a sinister and macabre cover-up. Denial Introducing policeman Glenn Branson... When actress Gloria Lamark takes her own life, her devoted son, Thomas, is heart-broken. Something must be wrong with a world in which such a tragedy is allowed to happen. How could her high-profile, media-star psychiatrist have failed to save such a special person, whom Thomas loved in such a very special way? Dr Tennent has a lesson to learn - a very painful one. Michael Tennent is caught up in the first flush of love - but has no idea how dangerous romance can be. For both Michael and Thomas will do anything for the women they love . Sweetheart Charley has a strange feeling when she sees the idyllic mill house; a powerful sense of recognition, as if she has been there before. Except she knows she hasn't. After Charley and her husband Tom move into Elmwood Mill, sinister memories of a previous existence start to haunt her. Despite both their attempts to dismiss everything with rational explanations, the feeling turns to certainty as the memories become increasingly vivid and terrifying.
