X-Ray Equipment Maintenance and Repairs Workbook for Radiographers and Radiological Technologists - Ian R. McClelland 2004

The X-ray equipment maintenance and repairs workbook is intended to help and guide staff working with, and responsible for, radiographic equipment and installations in remote institutions where the necessary technical support is not available, to perform routine maintenance and minor repairs of equipment to avoid break downs. The book can be used for self study and as a checklist for routine maintenance procedures.
